NDHS LULAC CHAPTER GOES TO NATIONALS

A message from sponsor **Rubi Chavez**: "A heartfelt thank you to the **NDBSL** who helped fund our trip to attend the LULAC National Convention. This year marked the 90th Anniversary and took place in Milwaukee. This generous donation allowed 8 students (10-12th grade) to take a road trip of a lifetime. We visited The University of Missouri, St. Mary's College and Notre Dame and stopped by the Oklahoma City National Memorial, Cahokia Mounds State Historic Site, The Museum of Science and Industry and Navy Pier in Chicago and Gateway Arch National Park. The convention consisted of leadership training workshops and educational panel discussions which provided our students with the information and resources needed to return to North Dallas HS and build on our council's already amazing program. They also attended an expo and several banquets with nationally recognized speakers. These young ladies already show signs of future leaders beyond the walls of North Dallas High School and we owe it to people like the members of the **NDBSL** who believe in them and the mission of LULAC."
