North Texas Giving Day A Success!!

Once again, the Bulldog Nation came through in support of NDBSL and the students and staff at North Dallas High School. Giving Day was held on September 17 and we garnered almost **\$14,000** toward our goal of \$20,000. Funds this year will go to support academic needs; unexpected expenses for safety issues; medical equipment for NDHS/Brookhaven students who are getting their EMT certification; tuition for virtual debate camp; needed uniforms, bus passes, school supplies for our homeless teens and other requests. Thanks to all who donated; your continual support keeps us moving forward!

NDHS100 Planning Underway Save the Date: October 1, 2022

Gil Sandoval, Class of 1974, and a group of enthusiastic graduates are busy planning for our 100th anniversary in two years. Plans are underway to secure a 503c designation for the group so that all contributions can be tax deductible. A dedicated website is also planned for the near future. Planning has begun in the areas of historical information, a parade, art show, car show and much more. It is hoped that most classes will choose that date to hold reunions so that Bulldogs from all over the nation can be in attendance.
